## In-Office Services Pricing Guide

### INJECTABLES

#### **BOTOX®**

**\$12 per unit (\$10 per unit for Plastic Perks Members)**

Neuromodulator injection that temporarily improves the look of moderate-to-severe forehead lines, crow's feet and frown lines between the eyebrows. Treatment lasts three to four months.

#### **DAXXIFY®**

**\$6 per unit (\$5 per unit for Plastic Perks Members)**

Neuromodulator injection that relaxes moderate-to-severe forehead lines, crow's feet lines and frown lines between the eyebrows in adults. Formulated with a unique stabilizer (cell-penetrating peptide) that Daxxify claims make it last longer than other first-generation botulinum toxins such as Botox and Dysport. Treatment lasts an average of six months.

#### **DYSPORT®**

**\$4 per unit (\$3 per unit for Plastic Perks Members)**

Neuromodulator injection that temporarily improves the look of moderate-to-severe forehead lines, crow's feet lines and frown lines between the eyebrows in adults. Treatment lasts three to four months.

#### **KYBELLA®**

**\$1000 per treatment for first two treatments; third treatment is FREE (two vials per treatment, \$500 per vial)**

Kybella is used in adults to improve the appearance and profile of moderate-to-severe fat below the chin (submental fat), also called "double chin."

### FILLERS

#### **JUVÉDERM®**

JUVÉDERM offers six unique and long-lasting fillers. Each one adds natural-looking volume and is designed for different needs in specific areas of the face including lips, cheeks, chin, smile lines, undereye or jawline.

#### **JUVÉDERM SKINVIVE**

**\$650 per treatment (two syringes)**

Skivivie is the first and only FDA-approved microdroplet injectable for improving skin smoothness in the cheeks. It increases hydration and provides a glow that can last up to six months.

#### **JUVÉDERM ULTRA XC: \$500 per syringe**

Ultra XC adds fullness and plumps lips, as well as smooths and corrects moderate-to-severe parentheses lines in adults.

#### **JUVÉDERM ULTRA PLUS XC: \$500 per syringe**

Ultra Plus XC smooths moderate-to-severe parentheses lines and wrinkles around the nose and mouth.

#### **JUVÉDERM VOLBELLA XC**

**.55 CC: \$350 per syringe**

**XX956 ICC: \$500 per syringe**

Volbella XC adds subtle volume to lips and softens the appearance of vertical lip lines.

#### **JUVÉDERM VOLLURE XC: \$600/syringe**

Vollure XC softens moderate-to-severe parentheses lines and wrinkles by adding subtle volume around the nose and mouth in adults over the age of 21.

#### **JUVÉDERM VOLUMA XC: \$700 per syringe**

Voluma XC adds volume to the cheek area to correct age-related volume loss in adults over the age of 21.

#### **JUVÉDERM VOLUX XC: \$700 per syringe**

Volux XC is specifically designed to enhance the jawline and provide long-lasting definition. It is injected into specific areas of facial tissue to sculpt and redefine the jawline, resulting in a more chiseled appearance.

#### **RESTYLANE®**

Restylane can be applied to nearly any facial area but works great as a filler for lips, marionette lines, nasolabial folds and nasal redefinition.

#### **RESTYLANE DEFYNE: \$500 per syringe**

Defyne smooths out deeper lines around the mouth (nasolabial folds and marionette lines).

## In-Office Services Pricing Guide (cont.)

### **RESTYLANE LYFT: \$500 per syringe**

Lyft is used for cheek augmentation and the correction of age-related midface contour deficiencies, as well as the treatment of moderate-to-severe facial folds, such as the nasolabial folds (smile lines).

### **RESTYLANE KYSSSE: \$500 per syringe**

Kysse is for lip plumping and shaping and lasts nine to 12 months.

### **RESTYLANE REFYNE: \$500 per syringe**

Refyne smooths out the lines that run alongside the corners of the mouth (nasolabial folds and marionette lines).

### **RESTYLANE SILK: \$500 per syringe**

Silk is best for subtle lip augmentation and the smoothing of wrinkles around the mouth.

### **RHA® COLLECTION**

The RHA Collection offers long-lasting fillers that can last up to 15 months in dynamic wrinkles and folds and one year in lipstick lines.

#### **RHA2: \$500 per syringe**

RHA2 provides elegant softening for dynamic lines and moderate-to-severe volume deficits. It may be appropriate for patients who:

- Need correction for areas such as radial cheek lines.
- Desire a natural, soft-focus look.

#### **RHA3: \$500 per syringe**

RHA3 offers noticeable, yet refined smoothing for dynamic wrinkles and folds. It may be appropriate for patients who:

- Need correction for areas such as marionette lines and oral commissures.
- Desire a natural look and need a moderately robust filler with smooth results.

#### **RHA4: \$500 per syringe**

RHA4 gives natural volume for moderate-to-severe dynamic folds and deeper deficits. It is offered in an optimized 1.2 mL syringe and may be appropriate for patients who:

- Need correction with a deeper-placed filler.
- Desire a natural look and enhanced volume without obvious ridges.

### **RHA REDENSITY: \$500 per syringe**

Redensity is the first and only FDA-approved filler for injection into both the superficial dermis and dermis to treat dynamic perioral rhytids. It may be appropriate for patients who:

- Need correction with a superficially placed filler in the dermis.
- Desire a natural look and feel, without unwanted heaviness.

### **SCULPTRA®**

**\$1400 per treatment (two vials/treatment, \$700/vial)  
\$2100 for three vials, get fourth FREE**

Sculptra activates the skin's natural regenerative process. It helps replenish lost collagen subtly and gradually over time and helps restore facial volume.

## MICRODERMABRASION

### **DIAMONDGLOW®**

DiamondGlow is a next-level skin resurfacing technology that treats more than just the surface of the skin. This treatment simultaneously exfoliates, extracts and treats the skin for results that last. It infuses the skin with serums at the moment of exfoliation when pores are most receptive, maximizing every second of the treatment for proven results.

#### **SkinMedica® Ultra-Hydrating Pro-Infusion Serum: \$200**

This serum infuses your skin with five types of hyaluronic acid to boost hydration and promote smooth, soft skin.

#### **SkinMedica Vitamin C Pro-Infusion Serum: \$200**

This serum treats dullness and visible photodamage. It helps deliver a deep dose of antioxidants for rejuvenated skin.

#### **SkinMedica Even & Correct Advanced Brightening Pro-Infusion Serum: \$225**

This serum reduces the appearance of hyperpigmentation and helps correct the appearance of uneven tone and hyperpigmentation.

#### **SkinMedica Pore Clarifying Pro-Infusion Serum: \$225**

This serum reduces the appearance of blemishes and uneven skin texture, clarifies skin tone and minimizes the appearance of pores.

## *In-Office Services Pricing Guide (cont.)*

### **SkinMedica TNS Advanced+ Pro-Infusion Serum: \$240**

This serum reduces visible signs of aging and addresses coarse wrinkles, fine lines, sagging skin and overall tone and texture.

## **CHEMICAL PEELS**

### **COOLPEEL®**

**Face/Neck: \$500**

CoolPeel is a brand new way to safely and comfortably deliver the benefits of a traditional CO2 resurfacing treatment. By targeting just the superficial layer of skin tissue, damaged skin is removed, revealing younger and healthier-looking skin.

### **DEKA PEEL**

**Face/Neck: \$800; Eyelids: \$350**

Deka helps improve fine lines to deep wrinkles, uneven pigmentation and redness, age spots, acne scars, sun damage, dullness and texture, dark undereye circles and lax skin.
